Letter No. 11454, dated the 26th June 1909 from the Excise Commissioner in Mysore to the Collector of the Civil and Military Station, Bangalore.

Adverting to your letter No. 2516 dated 25th June 1909, forwarding Mr. V. Namasivaya Chettiar's petition asking for --- additional trees to be allotted in the Luckihalli village, I have the honour to invite reference to my letter No. 10415 dated 19th May 1908 wherein I have stated that Bidareammangudi and Luckihalli Kavals have been assigned for the supply of toddy to the Station shops. I regret very much the mistake made by the contractors as such things are prejudicial to the interests of the State toddy shops. The conduct of the -- officials concerned is under enquiry. The 400 trees, now tapped are permitted to be tapped as a special case but it is hoped that the contractors will confine themselves to the assigned -- groves. As regards the allegation, that there are no tappable trees in the said Kavals the District Excise Officer of Tumkur, has been requested to submit a report after personal inspection.
